I have the honor to forward for submission to Government a letter from Assistant Surgeon Costello asking for promotion to a higher grade, or an increase of Rs 50/- per mensem to his present allowance, because amongst other things of the high house rent which he has to pay, and regarding which he has practically no option, as he is required to live within a certain radius of his duties, and within that he can get no cheaper house

1. Mr. Costello's salary paper is intended to cover remuneration for all duties assigned to him.

2. Govt. cannot undertake to ~~reimburse~~ make good any med. office, loss due to reduced practice or increased house <sup>rent</sup> resulting from his transfer from one station to another in the interests of the Public Service.

3. An exception was made to Mr. Fernandez's case by assigning him a special allowance of Rs 50. This may be continued to Mr. Costello on the same grounds.

4. Mr. Costello is entitled from the return of his duties to an official residence at the Hospital - Till such residence is provided he will be paid the difference between house rent of Rs 50 —

house fit to live in, whereas, if he were allowed to live  
elsewhere at a distance he would be able to procure  
a suitable house at a rental proportionate to his income.

I can endorse his statement as regards the security  
of houses, and I believe the landlord of his present house  
which he succeeded Assistant Surgeon General, increased  
the rent on the departure of the latter knowing that Mr.  
Costello would have to take it. I would therefore  
recommend that Government be pleased to increase  
his allowance as Chief Assistant from Rs 50/- to Rs 100/-  
or, if they are not prepared to that, that he be granted  
Rs 50/- a month house rent, until such time as the  
quarters in connection with Saint Marthas, which it is  
intended he shall occupy, are available.

Assistant Surgeon

The Senior Surgeon & San<sup>y</sup> Com<sup>r</sup>  
with the Government of Mysore  
Bangalore.

Sir,

I have the honor to bring to your notice the pecuniary inconvenience I am put to in consequence of my transfer to Bangalore. While at Mysore I was provided with Government Quarters at a nominal rent and enjoyed an extensive private practice, which latter, I am not likely to have, if at all, for several years to come. I am in a measure, in the interest of my duty, compelled to live as near to my work as possible and the only house available and suitable in this respect I have engaged, at a rental of Rupees 50 per mensem, an amount far beyond my means, and which takes away from me the additional allowance I now receive for the extra duties expected of me as your Chief Assistant Surgeon. There are other localities in Bangalore with houses of less rental and in keeping with my income, but to live in such places would mean a loss of my services at an emergency should I be required at any of our Hospitals, near which I am now living.

3 I further beg<sup>ly</sup> to bring to your notice that in a large town like Bangalore Govt Officials live scattered and far apart, many of whom are entitled to treatment in their own houses, as well as their families, though the latter cannot command my services, yet still they expect it, and I am bound in a measure to afford medical aid, though perhaps I may be paid for my services; this will necessitate the maintenance of Carriages which means further expences in the public interest.

4. Under these circumstances, and taking into consideration my long and good services, to which you can bear testimony, I beg you will be pleased to recommend that I be granted an additional allowance of Rs 50 per mensem, or that I be promoted to the grade of local Surgeon, the emoluments of which would equal the salary I would receive in the event of Government being pleased to sanction the addition I ask for.

I have the honor to be  
Sir

Your most obed<sup>t</sup> Servant.

Bangalore  
21<sup>st</sup> March 1931

My dear Sir,

Referring to your letter  
N<sup>o</sup> 4327 dated 13<sup>th</sup> instant.

Is there anything to  
prevent your present Chief  
Assistant going into the  
quarters in the Compound  
of St. Martha's occupied  
by his predecessor?

It may be that these  
quarters will have to be  
given over to the Lady  
Superior soon.

A rule governing the  
grant of house rent is  
that such grant is to be  
made only when Govt.  
accommodation is not  
available. I therefore  
write to inquire why the  
Chief Assistant should  
not put up in the old  
Petla Hospital premises.

which are now occupied  
by medical officers who  
are not entitled to free  
quarters. At one time,  
such quarters were  
provided for Mr. Arnold  
as med. off. in charge  
of the Special Army  
which however, for some  
time past, he has not  
been.

I am  
Yours very truly

Bangalore 22<sup>nd</sup> March 1893

My dear Sir

Your B.O. of yesterday regarding  
house accommodation, or house rent in lieu  
thereof, for my chief assistant.

He is entitled to turn out Mr. G. H. Lakshmanan  
"Ais" Lufin; who now occupies the quarters in the  
Compound of St. Martha's Hospital, but as I shall  
be vacating the hospital very soon now, & as  
I presume these quarters will then pass into the  
possession of the Lady Superior, I did not think  
it was desirable to disturb Mr. Lakshmanan  
& his family under the circumstances, and Mr.  
Ramaswamy Sanyal is agreed with me.

I cannot give him any accommodation in  
the old Pettah hospital buildings, as Hospital

Assistant Allen attached to the Angl<sup>3</sup> occupies some room there we must keep him there as it is absolutely necessary that a Mexican Subordinate should live on the premises so that his services may be readily obtainable any hour of the day or night. The remaining rooms are used by Mr. Palfu for purposes of the Vaccine Institute whose presence is indispensable as lymph he sometimes to be extracted from Calves in the small hours of the morning as if left even a few hours too long it would not be fit to be made into parts.

The only remaining place is the house occupied by Mr. Arnold. Technically Mr. G. is not entitled to occupy this house as his duties are now confined to the Stores & Mr. Raghavaram Rao should have it, so that

in either case it would not be available  
for Mr Ramaswamy Sanyal.

I did not disturb W. Arnold as I was going  
away for some time with H.H. in Dec<sup>r</sup> last  
& I wanted to have things as they were in good  
working order & there is the probability of  
his having to return in the 17<sup>th</sup> next month.

Mr Castello, who was the first to get house  
rent, based his claim principally on the fact  
that he is a European & having a large family  
it was practically impossible for him to get  
a suitable house in the Pettah so he chose  
this work, & if some assistance in that way  
was not given him there would be no suitable  
<sup>use</sup> with a rent within his means procurable perhaps  
nearer than the Infantry lines or some  
inconvenient distance.

These arguments do not apply with equal  
force to Mr Ramaswamy Sanyal, case

Assistant Allen attached to the Anglona occupies Room 2000. There we must keep him there as it is absolutely necessary that a Mexican Subordinate should live on the premises so that his services may be made obtainable any hour of the day or night. The remaining rooms are used by Mr. Palpu for purposes of the Vaccine Institute whose presence is indispensable as he is sometimes to be expected from Calcutta in the small hours of the morning as if left even a few hours too long it would not be fit to be made into parts.

The only remaining place is the house occupied by Mr. Arnold. Technically Mr. G. is not entitled to occupy this house as his duties are now confined to the Stores. Mr. Raghavaram Rao should have it, so that

if house rent be paid him probably a smaller amount than that paid to W. Foster, viz Rs 50/-, would suffice.

Yours very sincerely  
J. B. P. S.

it was useless to do so, and as you were not in the

Station at the time I could do nothing at the matter.

Under these circumstances I beg to request

that you will kindly make an enquiry into the -

matter and if you are satisfied that I had written

the Quarters and of the Hospital as stated referred

to to ask for the same for me, you will be pleased to

take such steps as you think best to get justice done

to me.

2 You are aware what amount of inconvenience

residence far away from the Hospital entails on the

Chief Assistant and how patiently I lose it for those

three months.

I have seen.

Sir, With reference to the enclosed application from Assistant Surgeon Mr. J. K. Laksmanasami, I have the honor to state that while I was laid up in September last - prior to my taking the privilege leave. Hospital Assistant Ramanamuni called upon me and made kind inquiries about my health, and, during the course of the conversation, he, I remember, asked me whether I was going to break up my establishment in case I got my leave. Beyond this he never asked me for the quarters for the use of Mr. Laksmanasami. If Mr. Laksmanasami had asked or written to me about it, I would have locked up my things in a couple of rooms and vacated the rest of the quarters. This arrangement would have been cheaper for me in as much as I don't have maintained an establishment here while I was away for three months.
